## SUPPORTING

★ **145** ★

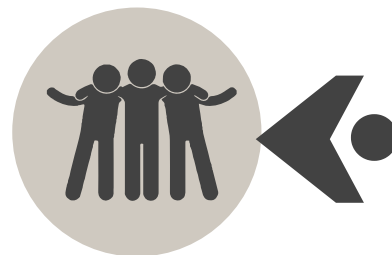

## BUSINESSES

We champion the local  
business community.

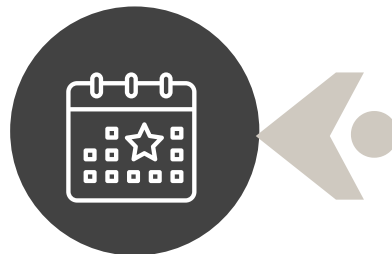

## REPRESENT

Strengthened relationships with key stakeholders, solidifying the Chamber's role as the trusted advocate for Mount Gambier's business community.

## GROW

Committed to driving growth within the local business landscape, the Chamber has expanded its membership, welcoming diverse new businesses and enhancing its collective influence.

## CONNECT

Prioritised creating opportunities for businesses and stakeholders to collaborate, fostering valuable connections that drive shared success

**10**  
EVENTS

To foster business education and  
and networking

**Co-working Space** | A series of Get \*\*IT Done Sessions were held in Mount Gambier and Port MacDonnell, providing an environment to network and complete projects, fostering a strong sense of community and business support.

**October Mental Health Month** | Our initiative aimed to promote well-being in local workplaces by distributing morning tea boxes containing mental health resources to businesses. This created opportunities for employees to come together in a supportive setting, fostering open conversations and connection.

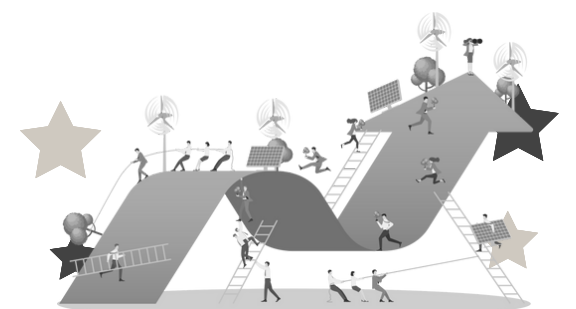

*Together  
we're  
stronger*

## HOSTED EVENTS

Engaged a wider audience by holding diverse events, from business forums to social gatherings, further strengthening the Chamber's role as a community connector.
